### Family Health Care Financial Policy Summary

We will file your claim to the Insurance(s) indicated. If we are unable to successfully collect reimbursement from your carrier, FHC will seek payment from the Guarantor indicated on the reverse side of this form.

FHC supports the policy of collecting deductibles, co-pays and any other related out of pocket expenses at time of service. Patients without insurance may be eligible for reduced fee services. If you are unable to pay at the time of service, you may meet with a Financial Counselor to establish payment arrangements.

This health center receives HHS funding and has Federal Public Health Service (PHS) deemed status with respect to certain health or health-related claims, including medical malpractice claims, for itself and its covered individuals.

I have reviewed the above statements and agree that I am responsible for any outstanding charges for all professional services provided.
